

The rainbow circle formed by stylized humans

Looking for feel of above but replacing humans with symbols.

Representing the "Five Points of Consulting" . With possible exception of red phone for voice. THESE ARE NOT SYMBOLS LOOKING TO USE. But do like colors.

The Five Points are:

- 1-Voice. Red Phone is probably good.
- 2-Internet/Fiber
- 3-Cell Phones
- 4-Energy (Natural Gas and Electric)
- 5-Merchant Services (Credit Cards)

Wording:

Total Cost of Business. (Should be all similar size)

Five Points of Consulting (Working on this wording, but use this for now)

www.totalcostofbusiness.com (Ideally would like this to be below, so can crop off if using on website)
